4 MALE VOICE: Yeah, okay.

5 MR. LINES: \$27,010 Morgan and Company.

6 MALE VOICE: Yep.

7 MR. LINES: \$100 Pacific Transfer.

8 MALE VOICE: Yep.

9 MR. LINES: (Inaudible.) \$15,000 to Market Maker.

10 MALE VOICE: Yeah.

11 MR. LINES: I still need a release from them.

12 MALE VOICE: Yeah.

13 MR. LINES: \$30,000 -- That was actually sent by  
14 draft, okay, so it takes (inaudible). \$30,000 I transferred  
15 to Sedona.

16 MALE VOICE: Yeah, just a -- just hang on a second.

17 I'm going to bring this model up here.

18 MR. LINES: What model?

19 MALE VOICE: Oh, just a little spreadsheet.

20 MR. LINES: Okay. (Inaudible.)

21 (End of recording.)

2 MALE VOICE: Okay, yeah, continue.

3 MR. LINES: Okay, I'm going to go again. \$40,000

4 Sloan, \$8,000 Cain and Company, \$27,010 Morgan and Company,

5 \$100 Pacific Transfer, \$15,000 to the Market Maker.

6 MALE VOICE: Right.

7 MR. LINES: Transferred in (inaudible) \$30,000 to

8 Sedona.

9 MALE VOICE: Yeah.

10 MR. LINES: \$264,409 to Triumph.

11 MALE VOICE: That is correct.

12 MR. LINES: I know it is correct. \$26,056 to six

13 vendors. I have been trying to send that to Cory. He

14 doesn't have a U.S. account yet. He set it up, basically,

15 and I was going to send that tomorrow. That is the only one

16 that hasn't gone out yet.

17 MALE VOICE: Look it, look it. I gave Cory  
18 specific fucking instructions, specific instructions that you  
19 were to wire that money directly to a list that I gave him of  
20 various accounts.

21 MR. LINES: Why didn't you send me that list?

22 MALE VOICE: Pardon?

23 MR. LINES: Why didn't you send me that list? And  
24 then I can wire the money directly to those guys, how does  
25 that --

Live tapes - October 24, 2008 00:01:00 a.m.

29:1 MALE VOICE: Yeah, yeah, absolutely. Absolutely.

2 MR. LINES: Does that make sense?

3 MALE VOICE: Get this guy out of the loop. I will  
4 tell you --

5 MR. LINES: Well we can't get him out of the loop  
6 now, he is sort of already there. We just have to be  
7 patient, okay?

8 MALE VOICE: Well look it, here is what he wants to  
9 do, and I can tell you it ain't going to happen.

10 MR. LINES: Uh-huh.

11 MALE VOICE: He wants to go to each one of my  
12 clients, and notwithstanding that he has a share transfer  
13 agreement which is signed by them and agreed to, he wants to  
14 go to each one of these fucking clients and get their  
15 permission that they be paid this amount of money for that  
16 amount of stock. Well that ain't going to happen. These are  
17 my clients, my friends, and my associates, and I am not going  
18 to have an outside lawyer in there stirring the fucking soup.

19 MR. LINES: (Laughing.)

20 MALE VOICE: You know? Like do I knock on the door  
21 of your clients? No.

22 MR. LINES: All right, well look, let me talk to --  
23 Look, let's do this, okay?

24 MALE VOICE: Look it, look it --

25 MR. LINES: You gave me the wire instructions for

Live tapes - October 24, 2008 00:01:00 a.m.

30:1 these six individuals or whatever, okay?

2 MALE VOICE: Yeah.

3 MR. LINES: I will wire them the money, okay?

4 MALE VOICE: Good.

5 MR. LINES: And then I (inaudible) and I will tell  
6 Cory I have wired the individuals the money and I will talk  
7 to him and see basically if we can just get the certificates,  
8 okay? Because we are too far down this road to stop now.

9 MALE VOICE: Well, you know, look it, Brian. You  
10 know, I honestly feel a little embarrassed about this because  
11 if I were the biggest stock swine in the world, I couldn't  
12 have planned this better. You are out \$350,000 and you don't  
13 own a fucking free trading share. Holy mother.

14 MR. LINES: I told you I was going to trust you.

15 MALE VOICE: (Laughing.) Well --

16 MR. LINES: I told you basically who needs the  
17 fucking lawyers at the end of it? We did it by the phones  
18 anyway. I told you that.

19 MALE VOICE: (Laughing.) That's right. That's  
20 right (inaudible). You know I want to do more business, and  
21 I think you know I --

22 MR. LINES: I told you I'm easy to deal with.

23 MALE VOICE: Okay. Now there is an outstanding  
24 issue. Those 245,000 shares that I sent to you directly?

25 MR. LINES: Yes?

Live tapes - October 24, 2008 00:01:00 a.m.

31:1                   MALE VOICE: There is going to have to be a wire  
2 transfer made on them and I don't have those coordinates, so  
3 I will get that --

4                   MR. LINES: If you give me all the coordinates for  
5 all these wires basically, and vendors, I will do it  
6 basically, okay? If you set that up, if you can fax me, I  
7 will take care of it.

8                   MALE VOICE: I will have that in the e-mail to you  
9 within minutes.

10                   MR. LINES: That's great.

11                   MALE VOICE: Okay, now you do that directly and be  
12 sure --

13                   MR. LINES: I will talk to Cory, okay, I will tell  
14 him to just calm down, okay? He is just trying to do things  
15 right, okay? He is a lawyer, man, that is how lawyers are.

16                   MALE VOICE: Yeah, yeah, but the problem is --

17                   MR. LINES: I know the problem. I know what your  
18 problem is and I understand that, okay?

19                   MALE VOICE: No, no, no, no. Look it, look it, let  
20 me make a comment here, is that these deals, as you know, the  
21 SEC doesn't like them, the NASD doesn't like them, and they  
22 take a certain amount of finesse.

23                   MR. LINES: I know.

24                   MALE VOICE: You get someone in there who is  
25 ham-fisted and wants to create huge stupid paper trails --

Live tapes - October 24, 2008 00:01:00 a.m.

32:1                   MR. LINES: What I will do, I will talk to Cory  
2 basically and organize it, okay?

3                    MALE VOICE: Yeah. Okay, now --

4                    MR. LINES: You get me the wire instructions for  
5 the \$26,056 and I will send that to your six vendors  
6 basically by wire. They will have it in 24 hours, how is  
7 that?

8                    MALE VOICE: Good.

9                    MR. LINES: Okay?

10                    MALE VOICE: Now except for the one, I am not going  
11 to be able to get the wire coordinates for you --

12                    MR. LINES: That's fine. And what you -- And just  
13 tell Cory to send me the certificates basically and say --  
14 That is probably the -- and I will tell him the same thing,  
15 okay?

16                    MALE VOICE: Okay. Well, no. You talk to Cory.

17 Cory takes instructions from you, I don't --

18                    MR. LINES: Okay, I will talk to Cory, okay?

19                    MALE VOICE: Okay, now two more things.

20                    MR. LINES: Yeah?

21                    MALE VOICE: On that 245,000 shares sent to you  
22 directly, within the next week I will get you wire  
23 coordinates.

24                    MR. LINES: Okay.

25                    MALE VOICE: It is only about \$1,200 and you can

Live tapes - October 24, 2008 00:01:00 a.m.

33:1 take care of that when you get --

2 MR. LINES: That is fine. What I have got  
3 basically is -- That is not a problem. I am going to do  
4 that. I am trying to get that stock through DTC as we speak,  
5 okay?

6 MALE VOICE: Yeah, okay. Now the other thing is  
7 there is a balance outstanding as to my calculations. I will  
8 send you a little spreadsheet summary and you can see if you  
9 agree.

10 MR. LINES: Okay. I have got -- After I transfer t  
11 hat \$26,056, I have wired out \$386,275. Okay?

12 MALE VOICE: Well you take a look at this  
13 spreadsheet and --

14 MR. LINES: Don't forget the Market Maker, that you  
15 have to deduct \$7,500 from your tab, right?

16 MALE VOICE: That's right. What I did is I -- Well  
17 you will see it on the spreadsheet.

18 MR. LINES: All right, send me the spreadsheet. I  
19 will take a look at it.

20 MALE VOICE: (Inaudible.)

21 MR. LINES: Okay?

22 MALE VOICE: Very good.

23 MR. LINES: Great. Thanks, Jack.

24 MALE VOICE: So I will get this e-mail out to you  
25 in a couple of minutes.

Live tapes - October 24, 2008 00:01:00 a.m.

34:1 MR. LINES: Not a problem.

2 MALE VOICE: Thank you.

3 MR. LINES: Bye-bye.

4 (End of recording.)

5

6 BL\_20030114e.wav

7 MALE VOICE: Anthony Wile speaking, good afternoon.

8 MR. LINES: Anthony Wile, I like that conversation,

9 'Mr. Anthony Wile speaking, good afternoon.'

10 MALE VOICE: You like that?

11 MR. LINES: I like that. That is very  
12 professional, I like that.

13 MALE VOICE: Have you been to the Wall Street  
14 Reporter today?

15 MR. LINES: No I haven't.

16 MALE VOICE: You will see an interview that I did  
17 in New York today for 15 minutes on there.

18 MR. LINES: Oh really?

19 MALE VOICE: Yeah, the wallstreetreporter.com.

20 MR. LINES: Really? I will have to take a look at  
21 that.

22 MALE VOICE: Yeah, it sounds great. It is 15  
23 minutes and gives a good thing, we are just sending it out  
24 now to 11,000 people that want to know what we are doing.

25 MR. LINES: So you are here tomorrow, are you?
